

## ELECTRICAL SOLUTIONS

How secure is **your** property

Call us for a free quote for  
Alarms and gate automation  
Phone 06 357 0405

*At McNae, excellence is measured by  
the quality of the service to you.*

Gates tailor made to your requirements. We will automate your existing gate or get one made to suit your property, whether it be a Wrought Iron, Aluminum or Classical Wooden gate.

We are accredited suppliers and installers of Heritage gates.

Easy to let family and friends in and improve security!!

The choice is yours.  
Secure and dry  
or ...

Leave the gate open for  
unwanted visitors  
or ... Get Wet

# **McNae Electrical/ Custom Gates**
